✓ THE FOOTLOGIX ADVANTAGE

Footlogix brings you a revolutionary fusion of science and nature, designed to deliver transformational footcare solutions. Here's how:

✓ Dermal Infusion Technology®

One of the most common foot concerns is dryness. Patented Dermal Infusion Technology uniquely allows the hydrating and bioactive ingredients to penetrate immediately AND deeply into the layers of the skin giving you fast, transformational results.

✓ Spiraleen™ Anti-Microbial Solutions

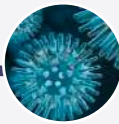

A revolutionary fusion of science and nature—Spiraleen works by inhibiting the harmful germs with its highly efficacious anti-fungal, anti-viral and anti-bacterial properties. This bio active micro algae extract is specifically designed to deliver optimal levels of cell protection, regeneration and collagen synthesis to the skin and nails on the feet.

CUSTOMER TESTIMONIALS

Join our elated users whose feet have been transformed by Footlogix Pediceuticals®

WOW FOOTCARE! - *Footlogix are the best footcare products that I have used. I feel like I have brand new feet!*

- **Julia, London, UK**

FOOT BLISS! - *I love yoga but I was really embarrassed by the condition of my feet. After just one week of using Footlogix rough skin formula I was no longer ashamed of my sandpaper feet. My pedicurist told me footlogix mousse actually applies an invisible protective layer so I can walk around in bare feet. Now my feet are healthy looking and protected. Bye bye embarrassing feet, hello yogi, strike a pose feet!*

- **Ani, Vancouver, Canada**

HEAVEN! - *As a diabetic I have to be careful with my footcare. I tried Footlogix, it makes my feet look like new and is so easy to apply. This product is worth shouting about. Thank you!*

- **Jen, Toronto, Canada**

BEST PRODUCT! - *This product is nothing short of a miracle. I have suffered with hard, peeling, cracking feet and ugly toenails for years - despite getting monthly pedicures. In 1 week's time - by soaking my feet twice a day and using the mousse (WHICH I LOVE), I have feet that "regular" people have. This is the BEST product I have ever purchased for my feet! Thank You, Footlogix!*

- **Chandra, MD, USA**

FABULOUS FAST RESULTS! - *Before I found Footlogix I spent SO much money on soaks, lotions, creams, oils and pedicures for dry feet. I even went to a dermatologist, and he didn't know what to do for it. After my first use, my feet were so much better. After using the product for 3 days, ALL the dry, itchy skin is gone. Thanks, Footlogix!*

- **Debbie, TX, USA**

FANTASTIC! - *When my aesthetician recommended I use the Footlogix Cracked Heel Formula, I was very skeptical. I had used everything on my feet and nothing would take the cracks away. Well she convinced me to buy the can and I used the product every night. To my amazement, the cracks started to heal within days and in a month were gone. I truly believe in this product.*

It is fantastic, I can wear sexy shoes again and my husband is no longer grossed out by my feet!

- **Alice, Toronto, Canada**
